

247 GRAPHX STUDIOS INC. FILE SPECIFICATION SHEET

FILE TYPES ACCEPTED:

Adobe Illustrator (.ai, .eps, .pdf)
Adobe Photoshop (.psd, .psb)
Adobe InDesign (.indd)
Image Files (.jpg, .tif, .gif, .pnf, .bmp, .raw)

FOR COREL DRAW & FREEHAND:

If you have Corel Draw, or if you are a Mac user, save your files as an Adobe Illustrator file with the text saved as curves.

If you use FreeHand, please save your files as a .pdf.

ACCEPTED MEDIA:

3.5" Floppy, Flash drives, CD-ROM & DVD-ROM.

Hard copies of photos or logos can be scanned in and retouched or recreated for an additional charge.

MAC OR PC:

We are setup to work on PC computers; however, Mac files that are formatted correctly are acceptable.

FONTS:

Mac fonts are not compatible with PC applications. If you are a PC user, please send with your file the TrueType font file.

ILLUSTRATOR:

Please insure that all fonts and linked files (such as photos) are included with the Illustrator file. You can also convert all of your text to outlines in substitution of sending us the TrueType font file.

Please make sure that there are no objects hidden by clipping masks that are outside of the intended printable area. Objects outside the printed area that are on hidden layers are also unacceptable, so please delete those layers.

PHOTOSHOP:

Please insure that all fonts and linked files (such as photos) are included with the Photoshop file. You can also convert all of your text to shapes in substitution of sending us the TrueType font file.

Do not flatten image. Please insure that the file has a dpi setting appropriate for the output. Higher quality prints demand a dpi setting of 300 or more. Please include special filter plug-ins used if necessary.

IMAGES:

247 Graphx asks that we be supplied the images you would like integrated in your design. We can utilize stock photography websites to obtain images for designs. The prices are set by the stock photography businesses and we charge for extensive time spent searching for images. Professional photography can also be used by 247 Graphx at an additional cost.
